## A PHOTOGRAPHY WORKSHOP FOR VETERANS

### SECTION A (BEGINNING): FRIDAYS, 8am-12pm

#### *SEEING LIKE A CAMERA, WORKING LIKE AN ARTIST*

Join photographer Selina Román in a series of inventive online photography workshops designed for beginners. You will learn to create thoughtful, meaningful, high-quality photographs using your cellphone camera. You will also learn photography basics such as fundamentals of lighting, composition, and color, as well as how to use your camera's special tools and editing software like a pro.

**NO PRIOR PHOTOGRAPHY  
EXPERIENCE REQUIRED**

### SECTION B (ADVANCED): FRIDAYS, 1pm-5pm

#### *OUT OF THE BOX — NEW WAYS OF SEEING & MAKING PHOTOGRAPHS*

Join photographers Selina Román and Christian Cortes in this advanced online series of photography workshops that are designed specifically for those with previous *Breaking Barriers* or photography experience. Already armed with skills to create technically sound images, you will advance to create photographs that give the viewer pause and offer new ways of seeing, understanding, and expressing. You will learn new editing techniques, and a variety of approaches to photography including thematic, narrative, conceptual, staged, and documentary as a means for self-expression and personal narrative.

**PREVIOUS EXPERIENCE IS REQUESTED**
